

Worksheet – Lesson 16

Now, Why Would She Say That?

Warm Up

Imagine you are teaching English to foreigners. What idioms or phrases can you think of that would require cultural explanations for the students to understand them? List them in the box.

Listening Activity

Your instructor will give you a list of idioms/phrases that you will hear in the conversation. Copy them in Column 1. When you hear idiom/phrase, the instructor will stop the conversation and ask you to speculate on the cultural/historical context for the item. Take notes on the discussion in Column 2.
